"Poetry in Visual"

Moving Art Project www.projectartmap.com

The exhibition will take place from 26th June to 26th July 2015 in 2 locations:

Gallery of City Museum of Aveiro and Gallery of Capitania Building.

"Poetry in Visual" is the title of the exhibition which will take place in Aveiro from 26th June to 26th July, organized by **ART-MAP** curatorial project. The project features creative works in which *poiesis* is the message and the desire which subordinates the choice of theme and technique. Participants responded to the challenge of search for the poetic element in contemporary art and their works show the same concern. The exhibition includes painting, sculpture, photography, artist book, installation and video art.

The motivation of the project is to bring international art to Aveiro, to facilitate communication of artistic discourse and visibility of ideas. The show "Poetry in Visual" is a new opportunity for the public to experience art and an inspiring way for the artists to discover Aveiro.

The Museum of the City of Aveiro and the Gallery of the Capitania building, two exhibition spaces in the city center, receive more than 100 works by national and international artists.

In the Museum of the City of Aveiro the exhibition will take form of artistic intervention of contemporary works in the permanent collection, creating new and unexpected narratives. This means that the Museum opens its doors for visitors to have an opportunity to enjoy the contemporary pieces and meet the collection that tells the story of Aveiro.

In The Capitania Building the works of contemporary art will occupy the whole space of the gallery. In the same place the inauguration of the event will take place on 26th June at 17:00.

ART-MAP is a curatorial initiative of Madina Ziganshina to promote works of artists in medium-sized Portuguese cities through a circuit of collective exhibitions in municipal galleries. This project relies on the partnerships of the City of Aveiro and the University of Aveiro and the collaborations of Cultural Association "Mercado Negro" and *art-cafe* Disha Gourmandise.

Schedule of the exhibition halls: Tuesday to Friday from 09h30 - 12h30 and from 14h00 to 18h00; Saturdays and Sundays from 14.00 to 18.00 pm.
